

Independent Auditor's Report

To
The Members of
Arka Fincap Limited

Report on the audit of the Financial Statements

Opinion

1. We have audited the accompanying Ind AS Financial Statements ("Financial Statements") of Arka Fincap Limited (hereinafter referred as "the Company"), which comprise the Balance sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of material accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013, as amended ("Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profit including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit of the Financial Statements in accordance with the Standards on Auditing ("SAs"), as specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act, and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the financial year ended March 31, 2026. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Financial Statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Financial Statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Financial Statements

Sr. No	Key Audit Matter	How the Key Audit Matter was addressed in our audit
1.	Information Technology (IT) systems & controls	Our Audit Approach: With the assistance of our IT specialists, we obtained an understanding of the Company's IT applications, databases and operating systems relevant to financial reporting and the control environment. Our audit approach was a combination of test of internal controls and substantive procedures on the areas of the IT infrastructure, which majorly focused access security (including controls over privileged access), program change controls, database management and network operations. In particular, our activity included the following: General IT controls design, observation and operation: ➤ Understood the changes made in the IT environment during the year and ascertained its effect on the financial statements controls and accounts. ➤ Tested key controls operating over the information technology in relation to financial accounting and reporting systems, including system access and system change management, program development and computer operations. User access controls operation: ➤ Obtained management's evaluation of the access rights granted to applications relevant to financial accounting and reporting systems and tested resolution of a sample of expectations. ➤ Further, we assessed the operating effectiveness of controls over granting, removal and appropriateness of access rights. Application controls: ➤ We tested the design and operating effectiveness of automated controls critical to financial accounting and reporting. ➤ For any identified deficiencies, tested the design and operating effectiveness of compensating controls and, where necessary, extended the scope of our substantive audit procedures. ➤ Our tests also included testing of the compensating controls or alternate procedures to assess whether there were any unaddressed IT risks that would materially impact the Financial Statements.
2.	Accuracy of recognition, measurement, presentation and disclosures of Impairment of Loans and Advances (Expected Credit Loss)	Our Audit Approach: Our audit approach was a combination of test of internal controls and substantive procedures which included the following: ➤ Evaluating the Company's accounting policies, as approved by the Board of Directors, for impairment of
	Ind AS 109: Financial Instruments ("Ind AS 109") requires the Company to provide for impairment of its Loan & Advances and Investments ("Financial Instruments") using	

Sr. No	Key Audit Matter	How the Key Audit Matter was addressed in our audit
	the Expected Credit Losses ("ECL") approach. ECL involves an estimation of probability-weighted loss on Financial Instruments over their life, considering reasonable and supportable information about past events, current conditions, and forecasts of future economic conditions which could impact the credit quality of the Company's loans and advances and Investments. In the process, a significant degree of judgement has been applied by the management for: a) Defining qualitative/quantitative thresholds for 'significant increase in credit risk' ("SICR") and 'default' categorically for corporate portfolio, wherein Company's credit risk function also segregates loans with specific risk characteristics based on trigger events identified using sufficient and credible information available from internal sources supplemented by external data. Impairment allowance for these exposures are reviewed and accounted on a case by case basis. b) Determining effect of less frequent past events on future probability of default. c) Grouping of borrowers based on homogeneity by using appropriate statistical techniques. d) Determining macro-economic factors impacting credit quality of receivables. e) Data inputs - The application of ECL model requires inputs from several data sources.	Financial Instruments and assessing compliance with the policies in terms of Ind AS 109: Financial Instruments. ➤ Obtained an understanding of the modelling techniques / models adopted by the Company including the key inputs and assumptions including overlays, if any; ➤ Evaluated the reasonableness of the management estimates by analysing the underlying assumptions and testing of controls around data extraction / validation. ➤ Assessed the criteria for staging of loans based on their past-due status to check compliance with the requirement of Ind-AS 109. Tested samples of Stage 1 loans, to assess whether any SICR or loss indicators were present requiring them to be classified under Stage 2 or Stage 3. ➤ Evaluated the appropriateness of the Company's determination of Significant Increase in Credit Risk ("SICR") in accordance with the applicable accounting standard and the basis for classification of various exposures into various stages. ➤ Performed test of details over calculation of ECL, in relation to the completeness and accuracy of the data; ➤ Obtained written representations from management on whether they believe significant assumptions used in calculation of expected credit losses are reasonable; ➤ Discussed with the management, the approach, interpretation, systems and controls implemented in relation to probability of default and stage-wise bifurcation of product-wise portfolios for timely ascertainment of stress and early warning signals. ➤ Read and assessed the disclosures included in the Ind AS financial statements in respect of expected credit losses with the requirements of Ind AS 107 Financial Instruments: Disclosure ("Ind AS 107"), Ind AS 109 and related RBI circulars.

Information Other than the Financial Statements and Auditor's Report thereon

5. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Directors Report but does not include the Financial Statements and our auditor's report thereon. These reports are expected to be made available to us after the date of our auditor's report. Our opinion on the Ind AS Financial Statements does not cover the other information and we will not express any form of assurance thereon. In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information identified above when it becomes

available and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated. When we read the other information included in the above reports, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance and determine the actions under the applicable laws and regulations.

Management's Responsibility for the Financial Statements

6. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
8. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.
10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - 10.1. Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - 10.2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls in place and the operating effectiveness of such controls.
 - 10.3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- 10.4. Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- 10.5. Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements for the financial year ended March 31, 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

14. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the "**Annexure A**", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
15. As required by Section 143(3) of the Act, we report that:
 - 15.1. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - 15.2. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except for the matter stated in the paragraph 16.6 below on reporting under Rule 11(g).
 - 15.3. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - 15.4. In our opinion, the aforesaid Financial Statements comply with the Ind AS specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.

- 15.5. On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors in the meeting dated April 30, 2026, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.
- 15.6. The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 15.2 above on reporting under Section 143(3)(b) of the Act and paragraph 16.6 below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014
- 15.7. With respect to the adequacy of the internal financial controls with reference to these Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
- 15.8. In our opinion, the managerial remuneration for the year ended March 31, 2026 has been paid / provided by the Company to its directors in accordance with the provisions of Section 197 read with Schedule V to the Act.
16. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us, we report as under:
- 16.1. The Company has disclosed the impact of pending litigations as at March 31, 2026 on its financial position in its Financial Statements – Refer Note 5.07 to the Financial Statements;
- 16.2. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- 16.3. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- 16.4.
- (a) The management has represented to us that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend to or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement
- 16.5. The Board of Directors of the Company have not proposed any dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting.
- 16.6. As more fully explained in Note 7.02 to the financial statements, based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except that no audit trail

was enabled at the database level for one of the accounting software to log any direct data changes. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention to the extent enabled.

Annexure A referred to in paragraph 14 of the Independent Auditors Report of even date to the members of Arka Fincap Limited (the "Company") in the Financial Statements as of and for the year ended March 31, 2026 under the heading "Report on other Legal and Regulatory requirements".

i. In respect of the Company's Property, Plant & Equipment and Intangible Assets:

(a) (A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant & Equipment and relevant details of Right-of-use assets.

(B) The Company has maintained proper records showing full particulars including quantitative details and situation of Intangible Assets.

(b) As per the information and explanation given to us and as verified by us, the Property, Plant and Equipment and Right-of-Use Assets have been physically verified by the management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In our opinion, and on the basis of explanations received no material discrepancies were noticed during the verification.

(c) There is no immovable property (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), held by the Company and accordingly, the requirement to report on clause 3(i)(c) of the Order is not applicable to the Company.

(d) The Company has not revalued any of its Property, Plant and Equipment (including Right of Use assets) or intangible assets during the year ended March 31, 2026.

(e) According to the information and explanations given to us, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder and details have been appropriately disclosed in the note 3.07 to the financial statements.

ii.

(a) The Company is primarily engaged in lending business. Accordingly, it does not hold any inventories. Accordingly, the requirement to report on clause 3(ii)(a) of the Order is not applicable to the Company.

(b) The Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions during the year on the basis of security of current assets of the Company. Based on the information and explanations provided to us, and on the audit procedures performed, the quarterly returns/statements filed by the Company with such banks and financial institutions are in agreement with the books of accounts of the Company.

iii.

(a) The Company's principal business is to give loans and is a registered NBFC, accordingly, reporting under clause (iii)(a) is not applicable to the Company.

(b) Considering that the Company is a Non – Banking Finance Company, the investments made, and the terms and conditions of the grant of all loans and advances in the nature of loans are not prima facie prejudicial to the Company's interest. According to information and explanations provided to us, the Company has not provided any guarantees or security during the year. Accordingly, the requirement to report on clause 3(iii)(b) of the Order is not applicable to the Company.

(c) The Company, being a NBFC, is registered under provisions of the Reserve Bank of India Act, 1934 and rules made thereunder, in pursuance of its compliance with provisions of the said Act, particularly, the Income Recognition, Asset Classification and Provisioning Norms and generally accepted business practices by the lending institutions, repayments schedules are stipulated basis the nature of the loan products. Having regard to the voluminous nature of loan transactions, it is not practicable to furnish entity-wise details of the amount, due date for repayment or receipt and extent of delay in this report (as suggested in the Guidance Note on CARO 2020, issued by the ICAI for reporting under this clause), in respect of loans and advances which were not repaid/ paid when they were due or were repaid/ paid with a delay, in the normal course of lending business.

(d) In respect of loans granted and advances in the nature of loans, provided by the Company, the total amount overdue for more than ninety days as on March 31, 2026 is as under:

No. of cases	Principal amount overdue (Rs in lakhs)	Interest overdue (Rs in lakhs)	Total overdue (Rs in lakhs)	Remarks (if any)
2401	5999.38	481.32	6480.70 [#]	According to the information and explanation given to us, reasonable steps have been taken by the Company for recovery of principal amount and interest.

[#]The amounts include Ind AS adjustments

- (e) The Company's principal business is to give loans and is a registered NBFC, accordingly, reporting under clause(iii)(e) of the order is not applicable.
- (f) Basis the information and explanations provided to us, the Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment. Accordingly, the requirement to report on clause 3(iii)(f) of the Order is not applicable to the Company.
- iv. According to the information and explanations given to us, the Company has complied with the provisions of Section 185 of the Act, in respect of loans and investments given during the year. The Company has not given any guarantee and security during the year and the provisions of Section 186 of the Act are not applicable to the Company.
- v. According to the information and explanations given to us, the Company has neither accepted any deposit from the public nor accepted any amounts which are deemed to be deposits during the year and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules made there under, are not applicable to the Company. We are informed by the management that no order has been passed by the Company Law Board, National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal against the Company in this regard.
- vi. The maintenance of cost records has not been specified by the Central Government under Section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Thus, reporting under clause 3(vi) of the Order is not applicable to the Company.
- vii. In respect of statutory dues:
- (a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including goods and services tax, provident fund, sales-tax, service tax, duty of customs, duty of excise, value added tax and Cess. The Company is generally regular in depositing undisputed statutory dues including income tax, labour welfare fund and professional tax. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable except for the following cases, made good subsequent to the year-end.

Name of the Statute	Nature of Dues	Amount (₹) (Rs. In lakhs)	Period to which the amount relates	Due Date	Date of Payment
The Puducherry Municipalities (Amendment) Act, 2017	Professional Tax	0.02	FY 2023-24 & FY 2024-25	31 July 2024	15 April 2026

The Puducherry Municipalities (Amendment) Act, 2017	Professional Tax	0.03	FY 2024-25	31 July 2025	15 April 2026
The Puducherry Municipalities (Amendment) Act, 2017	Professional Tax	0.05	FY 2024-25 & FY 2025-26	31 July 2025	15 April 2026

- (b) According to the information and explanations given to us and on the basis of our examination of the records, there are no statutory dues referred to in sub clause (a) that have not been deposited on account of any dispute.

viii. According to the information and explanations given to us, the Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.

ix.

- (a) According to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings or in the payment of interest thereon to any lender.
- (b) Basis the information and explanation provided to us, the Company has not been declared a wilful defaulter by any bank or financial institution or other lender.
- (c) According to the information and explanations given to us and to the best of our knowledge and belief, in our opinion, term loans availed by the Company were applied during the year for the purpose for which the loans were obtained, other than temporary deployment pending application of proceeds.
- (d) On an overall examination of the financial statements of the Company, no funds raised on short term basis have been used for long-term purposes by the Company.
- (e) The Company does not have any subsidiaries / associates / joint ventures. Accordingly, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.
- (f) The Company does not have any subsidiaries, associates or joint ventures. Accordingly, the requirement to report on Clause 3(ix)(f) of the Order is not applicable to the Company.

x.

- (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year and hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares /fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.

xi.

- (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
- (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by the secretarial auditor or by us in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) We have taken into consideration the whistle blower complaints received by the Company during the year while determining the nature, timing and extent of audit procedures.

- xii. The Company is not a Nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii)(a) of the Order is not applicable to the Company.
- xiii. According to the information and explanations given by the management, transactions with the related parties are in compliance with section 177 and 188 of the Act where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.
- xiv.
- (a) In our opinion the Company has an adequate internal audit system commensurate with the size and nature of its business.
 - (b) We have taken into consideration, the internal audit reports for the period under audit issued to the Company till the date of Auditor's Report for determining the nature, timing and extent of audit procedures.
- xv. According to the information and explanations given by the management, the Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the reporting on compliance with the provisions of Section 192 of the Companies Act, 2013 under clause 3(xv) of the Order is not applicable to the Company.
- xvi.
- (a) The Company has registered as required, under section 45-IA of the Reserve Bank of India Act, 1934.
 - (b) According to the information and explanations given to us, the Company holds a valid Certificate of Registration (CoR).
 - (c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi)(c) of the Order is not applicable to the Company.
 - (d) According to the information and explanations provided to us, the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) has two Core Investment Companies (CIC) as part of its Group (as identified by the management and reported to the RBI), one of which is unregistered CIC and the other one is in the process of registration with the RBI.
- xvii. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not incurred any cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
- xix. According to the information and explanations given to us and on the basis of the financial ratios disclosed in Note 6.08 to the Financial Statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, undrawn credit lines, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- Also refer to the Other Information paragraph of our main audit report which explains that the other information comprising the information included in annual report is expected to be made available to us after the date of this auditor's report.
- xx.
- (a) There are no unspent CSR amounts on account on "other than ongoing projects" for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under paragraph 3(xx)(a) of the Order is not applicable for the year.

- (b) According to the information and explanations given to us, the amounts remaining unspent under sub-section (5) of section 135 of the Companies Act, pursuant to any ongoing project, which is required to be transferred to special account in compliance with the provision of sub-section (6) of section 135 of the said Act have been transferred within 30 days from the end of the financial year in compliance with the provisions of the Act. Refer Note no. 4.07(b) to the financial statements.
- xxi. According to the information and explanations given to us and based on our examination of the records of the Company, there are no subsidiaries / associates / joint ventures of the Company and hence the paragraph 3(xxi) of the Order is not applicable.

ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred in paragraph 15.7 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to the financial statements of **Arka Fincap Limited** ("**the Company**") as of March 31, 2026 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026 based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to the financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the financial statements included obtaining an understanding of internal financial controls with reference to the financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to the financial statements.

Meaning of Internal Financial Controls with reference to the financial statements

A Company's internal financial control with reference to the financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to the financial statements includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls with Reference to The Financial Statements

Because of the inherent limitations of internal financial controls with reference to the financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the financial statements to future periods are subject to the risk that the internal financial control with reference to the financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

2. Statement of Compliance, Basis of Preparation and Presentation of the Financial Statements

2.01 Statement of compliance

The financial statements of the Company have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time), to be read with Section 133 of the Companies Act, 2013 ('Act') and relevant amendments rules issued thereafter.

Any directions/clarifications/guidance issued by the RBI or other regulators are implemented as and when they become applicable. Further, the Company has complied with all the directions related to Implementation of Indian Accounting Standards prescribed for Non-Banking Financial Companies (NBFCs) in accordance with the Reserve Bank of India (Non-Banking Financial Companies – Financial Statements Presentation and Disclosures) Directions, 2025 dated November 28, 2025. In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied.

These Financial Statements for the year ended 31 March 2026 have been reviewed by the Audit Committee and were authorized for issue by the Board of Directors of the Company at their meeting held on 30 April 2026.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

2.02 Basis of preparation

The financial statement comprises of the Balance sheet as at March 31 2026, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of Material accounting policies and other explanatory information.

The financial statements have been prepared and presented on a going concern basis. The financial statements have been prepared under the historical cost convention as modified by the application of fair value measurements required or allowed by the relevant accounting standards. Accounting policies have been consistently applied to all periods presented, unless otherwise stated.

The preparation of the financial statements requires the use of certain critical accounting estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses and the disclosed amount of contingent liabilities. Areas involving a higher degree of judgement or complexity, or areas where the assumptions are significant to the Company are discussed in relevant policies or notes.

2.03 Presentation of financial statements

The Balance Sheet, the Statement of Profit and Loss and the Statement of Change in Equity are prepared and presented in the format prescribed in the Division III to Schedule III to the Companies Act, 2013 ('the Act') applicable for Non-Banking Finance Companies ('NBFC'). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 'Statement of Cash Flows'.

2.04 Functional and Presentation Currency

These financial statements are presented in Indian Rupees ('INR') which is also the Company's functional currency. All amounts are rounded-off to the nearest lakhs, unless otherwise indicated.

2.05 Material Accounting Policy Information

i) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized in the balance sheet when the Company becomes a party to the contractual provisions of the instrument.

ii) Date of recognition and initial measurement

All financial instruments are recognized initially at fair value. However, in the case of financial instruments not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial instruments are added to the fair value. Purchases or sales of financial instruments that require delivery of assets / liabilities within a time frame established by regulation or convention in the marketplace (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset / liabilities.

iii) Financial assets

i) Initial recognition and measurement

Based on the Business Model, the contractual characteristics of the financial assets and specific elections where appropriate, the financial assets are classified into one of the three categories for measurement and income recognition.

-Amortized Cost (AC)

-Fair value through other comprehensive income (FVOCI)

-Fair value through profit and loss (FVTPL)

Amortised cost

A financial asset is measured at amortised cost if it meets both the following conditions:

- The financial asset is held within a business model whose objective is to hold the financial assets in order to collect the contractual cash flows; and
- The contractual terms of the financial asset give rise on specific dates to cash flows that are solely payments of principal and interest on the principal amount outstanding (SPPI).

After initial measurement and based on the assessment of the business model as asset held to collect contractual cash flows and SPPI, such financial assets are subsequently measured at amortised cost using effective interest rate ('EIR') method. Interest income and impairment expenses are recognised in statement of profit and loss. Interest income from these financial assets is included in finance income using the EIR method. Any gain and loss on derecognition is also recognised in statement of profit and loss.

The EIR method is a method of calculating the amortised cost of a financial instrument and of allocating interest over the relevant period. The EIR is the rate that exactly discounts estimated future cash flows (including all fees paid or received that form an integral part of the EIR, transaction costs and other premiums or discounts) through the expected life of the instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Fair value through other comprehensive income (FVOCI)

Further other things remain the same (as in (a) and (b) above), if the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets, such asset/s are classified as held at FVOCI. The fair value gain on such loans has been disclosed as "Fair value changes on loans classified under "Hold & Sell" business model" under other comprehensive income.

Financial assets included within the FVOCI category are measured subsequently at each reporting date at fair value. Interest income using effective interest rate ('EIR') and impairment loss are recognised in the statement of profit and loss. Fair value movements on subsequent measurement are recognised in the OCI.

The Company has elected irrevocable option to classify investment in Equity instruments in FVOCI. The Company makes such election on an instrument-by-instrument basis. Where the Company classifies equity instruments as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment.

Fair value through Profit and Loss (FVTPL)

In case of a financial asset that does not meet both the above conditions, it is classified as FVTPL.

Financial assets included within the FVTPL category are measured subsequently at each reporting date at fair value. Transaction costs, net gain or loss, including interest and other income are recognized in the Statement of Profit and Loss.

Investment in Mutual funds are classified as FVTPL.

Business Model (BM) Assessment

The Company from time to time enters into direct bilateral assignment deals, which qualify for de-recognition under Ind AS 109. Accordingly, the assessment of the Company's business model for managing its financial assets becomes a critical judgment.

Classification and measurement of financial assets depends on the results of the solely payment of principal and interest (SPPI) and the business model test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

iv) Initial measurement, classification and subsequent measurement of Financial Liabilities and Equity Instruments

The Company classifies instruments as financial liabilities or equity instruments in accordance with the substance of the contractual terms of the instruments.

a) Equity

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the face value and proceeds received in excess of the face value are recognised as securities premium.

b) Financial liabilities

Financial liabilities are measured at amortised cost using the EIR method. Interest expenses is recognised in statement of profit and loss.

Any gain or loss on de-recognition of financial liabilities is also recognised in statement of profit and loss.

v) De-recognition of Financial Assets and Liabilities

a) Derecognition of financial assets

A financial asset is derecognized only when

- the contractual rights to the cash flows from the financial asset expire,

Or

The Company has transferred its contractual rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Where the company has transferred an asset, the company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. Where the company has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

Where the company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized if the company has not retained control of the financial asset. Where the company retains the control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

b). Derecognition of financial liabilities

A financial liability (or a part of a financial liability) is derecognised from its balance sheet when, and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expired.

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

vi) Reclassifications of Financial Assets and Financial Liabilities

Financial assets are not reclassified subsequent to their initial recognition, apart from the exceptional circumstances in which the Company acquires, disposes of, or terminates a business line or in the period the Company changes its business model for managing financial assets. The classification and measurement requirements related to the new category apply prospectively from the first day of the first reporting period following the changes in the business model that results in reclassification.

Reclassifications are expected to be very infrequent. Such changes must be determined by the Company's senior management as a result of external or internal changes and must be significant to the Company's operations and demonstrable to external parties.

Further re-classification is not allowed in following cases,

-Investments in equity instruments irrevocably designated as at FVOCI cannot be reclassified.

-Reclassification of financial liabilities.

vii) Impairment of financial assets

The Company applies the Expected Credit Loss (ECL) model in accordance with Ind AS 109 for recognising impairment loss on financial assets except for equity instruments which are not subject to impairment under Ind AS 109, and other debt financial assets held at fair value through profit or loss (FVTPL).

The ECL allowance is based on the credit losses expected to arise over the life of the asset, unless there has been no significant increase in credit risk since origination, in which case the allowance is based on the 12 months' expected credit loss. The 12 month ECL is a portion of the lifetime ECL, which results from default events that are possible within 12 months after the reporting date.

At the end of each reporting period, the Company performs an assessment of whether the loan's / investment's credit risk has increased significantly since initial recognition by considering the change in the risk of default occurring over the remaining life of the asset. This includes both quantitative and qualitative information and analysis based on a provision matrix which takes into account the Company's historical credit loss experience, current economic condition, forward looking information and scenario analysis.

The expected credit loss is a product of Exposure at Default (EAD), Probability of Default (PD) and Loss given default (LGD).

The Company has devised an internal model to evaluate the PD and LGD based on the parameters set out in Ind AS 109. Accordingly, the financial assets have been segmented into three stages based on their risk profiles.

The company categorizes financial assets at the reporting date into stages based on the days past due (DPD) status as under:

Based on the above, the Company categorizes its loans into Stage 1, Stage 2 and Stage 3 as under:

The three stages reflect the general pattern of credit deterioration of a financial asset:

Stage 1: All exposures where there has not been a significant increase in credit risk since initial recognition or that has low credit risk at the reporting date and that are not credit impaired upon origination are classified under this stage. The Company classifies all advances up to 0-30 days default under this category. Stage 1 loans also include facilities where the credit risk has improved, and the loan has been reclassified from Stage 2.

Stage 2: The Company assesses whether there has been a significant increase in credit risk for financial assets since initial recognition. The Company classifies all advances past due for 31-90 days under this category. Also, other qualitative factors to assess deterioration in credit quality of a financial asset is considered under this category. For credit exposures where there has been a significant increase in credit risk since initial recognition but that are not credit impaired, a lifetime ECL is recognised.

Stage 3: All exposures assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred are classified in this stage. For exposures that have become credit impaired, a lifetime ECL is recognised. Stage 3 is considered where "Contractual payments of principal and/or interest are past due for more than 90 days".

Exposure-At-Default (EAD): EAD is taken as the gross exposure under a facility upon default of an obligor. The principal and the interest accrued is considered as EAD for the purpose of ECL computation.

Probability of Default (PD): The Probability of Default is an estimate of the likelihood of default of the exposure over a given time horizon. In order to estimate the PDs, studies on defaults available in public domain and experience of the Company have been taken into account.

Loss Given Default (LGD): The Loss Given Default is an estimate of the loss arising in the case where a default occurs at a given time. It is based on the difference between the contractual cash flows due and those that the lender would expect to receive, including from the realisation of any security.

ECL is calculated as under:

Stage 1: The Company calculates the 12 months' ECL based on the expectation of a default occurring within 12 months from the reporting date. The expected 12-month PD is applied to the EAD and multiplied by the expected LGD and discounted at the EIR.

Stage 2: When a loan has shown significant increase in credit risk since origination, the Company records an allowance for life time expected credit loss as above, but the PD and LGD is estimated over the lifetime of the loan.

Stage 3: For loans considered credit impaired, life time ECL is recognized. The method is similar to that for Stage 2 loans / assets, with the PD set at 100%.

Undrawn loan commitments are not recorded in the balance sheet. However, these financial instruments are in the scope of expected credit loss (ECL) calculation.

Forward looking information

The Company considers a broad range of forward-looking information with reference to external forecasts of economic parameters such as GDP growth, inflation, Brent rates etc., as considered relevant so as to determine the impact of macro-economic factors on the Company's ECL estimates. The inputs and models used for calculating ECLs are recalibrated periodically using available incremental and recent information. Further, internal estimates of PD, LGD rates used in the ECL model may not always capture all the characteristics of the market / external environment as at the date of the financial statements. To reflect this, qualitative adjustments or overlays are made as temporary adjustments to reflect the emerging risks reasonably.

2.06 Write Off

Loans and Debt Securities are written off when the company has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). This is the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts, subject to the write-off. A write-off constitutes a derecognition event. The Company may apply enforcement activities to the financial assets written off. Recoveries resulting from the Company's enforcement activities will be credited to impairment on financial instruments in the Statement of Profit and Loss.

2.07 Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance sheet, if there is currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

2.08 Fair value measurement

The Company's accounting policies and disclosures require the measurement of fair values for certain financial instruments.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability.

Or

- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Level 3: Valuation techniques for which the lowest level inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Management regularly reviews significant unobservable inputs and valuation adjustments.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

2.09 Cash and Cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short term, highly liquid investments that are readily convertible into known amounts of cash which are subject to an insignificant risk of changes in value.

2.10 Property, Plant and Equipment

Property, plant and equipment (PPE) are stated at cost, net of accumulated depreciation and/or accumulated impairment losses, if any. The cost of an item of Property, plant and equipment comprises its purchase price, and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use. Subsequent expenditure is capitalized only when it increases the future economic benefits from the specific asset to which it relates. All other repair and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Depreciation, estimated useful life and residual value

The Company follows Straight Line Method (SLM) of depreciation which is computed based on useful lives of assets as provided in Part "C" of Schedule II of the Companies Act 2013 or the useful lives as estimated by the management. Depreciation on assets purchased during the period is provided on pro rata basis from the date asset is available for use as intended by management. Item of PPE is derecognized upon disposal, when no future economic benefits are expected from its use or disposal. The residual values, useful lives and method of depreciation of PPE are reviewed annually and adjusted prospectively. The Company has used below estimated useful lives to provide depreciation and amortization on its Property, plant and equipment:

Particulars	Estimated useful life by the Company	Estimated useful life as per Companies Act, 2013
Office Equipment	5 years	5 years
Office Equipment (Mobile Handset)	2 years	5 years
Leasehold Improvements	5 years	As per Lease Term
Furniture & Fixtures	10 years	10 years
Motor vehicles	5 years	8 years
Computers	3 years	3 years

The company uniformly estimates a zero residual value for all these assets except motor vehicles.

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate prospectively.

Derecognition

PPE is derecognised on disposal or when no future economic benefits are expected from its use. Assets retired from active use and held for disposal are generally stated at the lower of their carrying amount & fair value less costs to sell. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the net carrying amount of the asset) is recognised in statement of profit and loss within other gains/(losses) in the year the asset is derecognised.

2.11 Other Intangible assets and Amortization

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the asset can be measured reliably.

The amortisation period and amortisation method for an intangible asset are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates.

Intangible assets are amortised by using straight line method over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired.

Asset Category	No. of years
Computer Software	5 Years
LOS Software	5 Years
LMS Software	8 Years
Supply Chain Software	4 Years

Intangible assets under development

Intangible assets not ready for the intended use on the date of Balance Sheet are disclosed as "Intangible assets under development".

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

2.12 Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

2.13 Provisions, Contingent liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Provisions are measured at the Company's best estimate of the expenditure required to settle the obligation at the reporting date and are discounted to present value where the effect is material using a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation as at the balance sheet date, taking into account the risks and uncertainties surrounding the obligation. The expenses relating to a provision is presented in the statement of profit or loss.

Contingent liabilities are possible obligations whose existence will be confirmed only by uncertain future events or present obligations where the transfer of economic benefits is not probable or cannot be reliably measured. Contingent liabilities are disclosed unless the possibility of an outflow of resources embodying economic benefit is remote. A contingent liability also arises in extremely rare cases where there is liability that cannot be recognized because it cannot be measured reliably.

Contingent assets are not recognized in the financial statements since this may result in the recognition of income that may never be realized. However, when the realization of income is virtually certain, then the related asset is not a contingent asset and gets recognized.

2.14 Earnings per share

The Company reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share. Basic EPS is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. Diluted earnings per share reflects the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. In computing the diluted earnings per share, only potential equity shares that are dilutive and that either reduces the earnings per share or increases loss per share are included.

2.15 Employee Benefits

i) Short-term employee benefits

The distinction between short term and long-term employee benefits is based on expected timing of settlement rather than the employee's entitlement benefits. All employee benefits payable within twelve months of rendering the service are classified as short-term benefits. Such benefits include salaries, wages, bonus, short term compensated absences, awards, ex-gratia, performance pay etc. and are recognised in the period in which the employee renders the related service.

The Company recognizes a liability, and records an expense for bonuses (including performance-linked bonuses) where contractually obliged or where there is a past practice that has created a constructive obligation.

ii. Other long-term employment benefits:

The Company measures Accumulated leaves and long term incentives based on the actuarial valuation using the projected unit credit method at the year-end.

iii Defined Contribution Plan

The Company's contribution paid/payable during the year towards Provident and other funds is charged to statement of profit and loss in the year in which employee renders the related service. The Company has no further obligation beyond making the contributions.

iv Defined Benefit Plan

The employee's gratuity scheme is Company's defined benefit retirement plan.

The Company has an obligation towards gratuity, a non funded defined benefit plan covering eligible employees. Vesting for gratuity occurs upon completion of five years of service.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

The present value of the obligation under such defined benefit plans is determined based on the actuarial valuation using the Projected Unit Credit Method as at the date of the Balance sheet.

Re-measurements, comprising of actuarial gains and losses, are recognized immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Re-measurements are not reclassified to the Statement of profit or loss in subsequent periods.

v) Compensated Absences

The employees of the Company are entitled to compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation using projected unit credit method for the unused entitlement that has accumulated as at the balance sheet date. Remeasurement gains or losses on long term compensated absences are recognised in statement of profit and loss.

vi) Share based payments Transactions

Share-based compensation benefits are provided to the employees through the Employee Stock Option Scheme 2019 and Restated and Amended the Employee Stock Option 2025 ("Plan"). The fair value of options determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period with a corresponding credit to share options outstanding reserve, based on the Company's estimate of the shares that will eventually vest and adjusted for the effect of service conditions.

The total expense is recognised over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied. At the end of each period, the entity revises its estimates of the number of options that are expected to vest based on the service conditions. It recognises the impact of the revision to original estimates, if any, in profit or loss, with a corresponding adjustment to equity.

The stock options granted to employees are measured at the fair value of the options at the grant date. The fair value of the options is treated as discount and accounted as employee compensation cost over the vesting period on a straight-line basis. The amount recognised as expense in each year is arrived at based on the number of grants expected to vest. If a grant lapses after the vesting period, the cumulative discount recognised as expense in respect of such grant is transferred to the general reserve within equity.

2.16 Taxes

Income tax expense comprises current tax and deferred tax and is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in Other Comprehensive Income (OCI)

Current income tax

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date

Current income tax relating to items recognised in other comprehensive income or directly in equity is recognised in other comprehensive income or in equity, respectively, and not in the statement of Profit and Loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate

Deferred tax

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction

Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the profit or loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority

Deferred tax assets are reviewed at each reporting date and based on management's judgement, are reduced to the extent that it is no longer probable that the related tax benefit will be realised, such reductions are reversed when the probability of future taxable profits improves

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date

2.17 Leases

The Company as a lessee

The Company assesses whether a contract contains a lease, at inception of a contract as per Ind AS 116. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset; (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease; and (3) the Company has the right to direct the use of the asset

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense over the term of the lease

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using borrowing rates of the Company since interest rate implicit in the lease is not readily determinable. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment of whether it will exercise an extension or a termination option. Lease liabilities are remeasured at fair value at the balance sheet date with the corresponding impact considered in the statement of profit and loss as interest charge/ income

Lease liability and ROU asset have been separately presented in the Balance Sheet

2.18 Segment Reporting

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's Chief Operating Decision Maker ("CODM") to make decisions for which discrete financial information is available. The Company operates only in one Business Segment i.e. lending, since the nature of the loans are exposed to similar risks and return profiles, hence they are collectively operating under a single segment. Accordingly the Company does not have any reportable Segments as per Indian Accounting Standard 108 "Operating Segments"

2.19 Revenue Recognition

Recognition of Interest income

The interest income is calculated by applying the EIR to the gross carrying amount of non-credit impaired financial assets (i.e. at the amortised cost of the financial asset before adjusting for any expected credit loss allowance). For credit-impaired financial assets the interest income is calculated applying the EIR to the amortised cost of the credit-impaired financial asset (i.e. the gross carrying amount less the allowances for ECLs)

The EIR in case of a financial asset is computed –

- As the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset
 - By considering all the contractual terms of the financial instrument in estimating the cash flows
 - Including all fees received between parties to the contract that are an integral part of the effective interest rate, transaction costs, and all other premiums or discounts
- Any subsequent changes in the estimation of the future cash flows is recognised in interest income with the corresponding adjustment to the carrying amount of the assets

Fee income

Fees and commissions are recognised when the Company satisfies the performance obligation, at fair value of the consideration received or receivable based on a five-step model as set out in Ind AS 115, unless included in the effective interest calculation

- Step 1. Identify contract(s) with a customer. A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met
- Step 2. Identify performance obligations in the contract. A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer
- Step 3. Determine the transaction price. The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties
- Step 4. Allocate the transaction price to the performance obligations in the contract. For a contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation
- Step 5. Recognise revenue when (or as) the Company satisfies a performance obligation

Syndication, advisory & other fees

Syndication, advisory & other fees are recognised as income when the performance obligation as per the contract with customer is fulfilled and when the right to receive the payment against the services has been established

Recognition of Profit/loss on sale of investments

Any differences between the fair values of financial assets classified as FVTPL held by the Company on the balance sheet date is recognised as an unrealised gain/ loss. In cases where there is a net gain in the aggregate, the same is recognised in "Net gains on fair value changes" under Revenue from operations and if there is a net loss the same is disclosed as "Net loss on fair value changes" under Expenses in the standalone statement of profit and loss.

Similarly, any realised gain or loss on sale of financial instruments measured at FVTPL is recognised in net gain/ loss on fair value changes

Income from de-recognition of financial assets:

Gains arising out of direct assignment transactions comprise the difference between the interest on the loan portfolio and the applicable rate at which the direct assignment is entered into with the assignee, also known as the right of Excess Interest Spread (EIS). The future EIS basis the expected cash flows on the execution of the transaction, discounted at the applicable rate entered into with the assignee is recorded upfront in the statement of profit and loss

2.20 Statement of Cash Flows

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferral or accruals of past or future cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from regular operating, investing and financing activities of the Company are segregated

2.21 Critical Accounting Estimates and Judgements

The preparation of the Company's financial statements in conformity with IND-AS requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements. Any revisions to accounting estimates are recognised prospectively in the current and future periods. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in the future periods. Estimates and underlying assumptions are reviewed on an ongoing basis.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The significant areas involving estimates or judgements are:

1. Estimation of defined benefit obligations
2. Recognition of deferred tax assets, estimation of current tax expense and current tax payable
3. Estimation of provisions and contingencies
4. Fair value of employee share options
5. Fair value of financial instruments including unlisted equity instruments
6. Business model assessment
7. Impairment of financial assets
8. Determination of useful life of Property, Plant and Equipment
9. Determination of useful life of Intangible asset
10. Effective interest rate
11. Evaluation of lease, lease term and discount rates

2.22 NEW STANDARDS/AMENDMENTS NOTIFIED BUT NOT YET EFFECTIVE:

During the financial year 2025-26, the Ministry of Corporate Affairs (MCA) introduced certain amendments to the applicable regulations and reporting requirements. Management has evaluated these amendments and assessed their applicability to the Company. Based on such assessment, the Company is of the view that these amendments do not have any material impact on the financial statements for the year ended 31 March 2026 and do not require any additional disclosure.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2026

(Currency - Indian Rupees in Lakhs)

f. Terms/rights attached to equity shares

The Company has only one class of equity shares having a par value of ₹ 10 per share. Each holder of equity shares is entitled to proportionate vote on basis of his contribution to fully paid up share capital. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the proportionate amount of contribution made by the equity shareholder to the total equity share capital.

g. Shares reserved for issue under options and contracts or commitments for the sale of shares or disinvestment, including the terms and amounts

Refer Note 5.12: Employee Stock Options Plans

h. Dividend:

The Board of Directors in their meeting held on 26 March 2025, had declared an interim dividend of ₹ 0.11 per equity share amounting to ₹ 1,021.60 lakhs which was paid on 28 March 2025.

Accounting period	Net Profit Rs in Cr.	Amount of Div Rs in Cr.	Div pay out ratio %
Profit for the year ended 31 March 2025	8,035.60	1,021.60	12.71%

The Company has not declared any dividend during the financial year 2025-26.

i. Objective for managing capital

The Company maintains an actively managed capital base to cover risks inherent in the business and is meeting the capital adequacy requirements of the local regulator, Reserve Bank of India (RBI). The adequacy of the Company's capital is monitored using, among other measures, the regulations issued by RBI.

Income Tax of earlier year	(77.22)	(30.11)
Others	9.59	118.37
Total Tax Expenses	2,269.29	2,904.66
Effective tax rate	24.86%	26.55%

Note :- The Company does not have unused tax losses

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2026

(Currency Indian Rupees in Lakhs)

NOTE 5.01 : Earnings per share (EPS)

Basic EPS calculated by dividing the net profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders (after adjusting profit impact of dilutive potential equity shares, if any) by the aggregate of weighted average number of equity shares outstanding during the year and the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

Particulars	For the year ended 31 March 2026	For the year ended 31 March 2025
I. Profit attributable to equity holders (A)		
Profit attributable to equity holders for basic and diluted EPS	6,860.31	8,035.60
II. Weighted average number of equity shares for calculating Basic EPS (B)	92,87,28,108.00	92,87,28,108
III. Effect of dilution (employee stock options)	2,07,24,397.07	78,22,716
IV. Weighted average number of equity shares for calculating Diluted EPS (C)	94,94,52,505.07	93,65,50,824
V. Basic earnings per share (₹)	0.74	0.87
VI. Diluted earnings per share (₹)	0.72	0.86

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2026

(Currency: Indian Rupees in lakhs)

NOTE 5.02 : Financial instruments – Fair values**A. Fair value hierarchy**

Ind AS 107, 'Financial Instruments - Disclosure' requires classification of the valuation method of financial instruments measured at fair value in the Balance Sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to un-adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair-value-hierarchy under Ind AS 107 are described below:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and place limited reliance on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

B. Accounting classification and fair values

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using a valuation technique.

The following table shows the carrying amounts and fair values of financial assets including their levels in the fair value hierarchy:

Particulars	As at 31 March 2026					
	Carrying amount				Fair value	
	Fair value through profit and loss	Fair value through other comprehensive income	Amortised Cost	Total	Fair value	Fair value Hierarchy

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2026

(Currency : Indian Rupees in Lakhs)

The carrying amounts of financial assets and financial liabilities other than those disclosed in table above are considered to be the same as their fair values due to the short term maturities of instruments or no material differences in the values.

The fair value of fixed coupon issued debts and term loans taken has been determined using a discounted cash flow methodology, applying market-observable inputs such as yields published by relevant authorities.

The fair values of fixed rate loans are estimated using discounted cash flow models based on contractual cash flows, applying the latest average yield rates on loans disbursed.

Management uses its best judgment in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of all the amounts that the Company could have realised or paid in sale transactions as of respective dates. As such, the fair value of the financial instruments subsequent to the respective reporting dates may be different from the amounts reported at each year end. These fair values were calculated for disclosure purposes only.

Reconciliation of level 3 financial asset measured at fair value is as below :

Particulars	As on 31 March 2026	As on 31 March 2025
Balance at the beginning of the period/year	-	-
Additions/(Reduction) during the period/year	94,807.75	-

Mark to Market gain recognized in P&L	-	-
Regroup from Level 3 to other level	(49,788.42)	-
Realised during the period/year	-	-
Balance at the end of the period/year	49,134.47	-

ARKA FINCAP LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2026

(Currency: Indian Rupees in Lakhs)

NOTE 5.03 : Financial instruments risk management

The Company has exposure to the following risks from financial instruments:

- (A) Market Risk;
- (B) Credit Risk;
- (C) Operational Risk;
- (D) Liquidity Risk; and
- (E) Strategic Risk

(A) Market Risk;

Market Risk is the possibility of loss arising from changes in the value of a financial instrument as a result of changes in market variables such as interest rates, exchange rates. The company's exposure to market risk is a function of asset liability management and interest rate sensitivity assessment. The company is exposed to interest rate risk, if the same is not managed properly.

Interest Rate Risk;

The Company being in the business of lending raises money from diversified sources like market borrowings, term Loan from banks and financial institutions etc. Financial assets and liabilities constitute significant portion, changes in market interest rates can adversely affect the financial condition. Interest rate risk is the risk of loss in company's net income out of change in level of interest rates and/or their implied volatility.

Mitigation:

- The interest rate sensitivity statement is prepared and reviewed by the management of the Company every month. The statement captures the duration of rate sensitive assets and liabilities of the Company.
- Any major gap between interest sensitive assets and liabilities is presented to the Asset Liability Committee (ALCO)

The impact of change in interest rate on the earnings of the Company is as below:

Change in interest rate	31 March 2026		31 March 2025	
	Impact on Profit Before Tax	Impact on Equity	Impact on Profit Before Tax	Impact on Equity
25 basis points down	872.70	638.60	982.85	719.20
50 basis points down	1,745.40	1,277.19	1,965.70	1,438.39
25 basis points up	(872.70)	(638.60)	(982.85)	(719.20)
50 basis points up	(1,745.40)	(1,277.19)	(1,965.70)	(1,438.39)

Break-up of borrowings into variable rate and fixed rate

Particulars	31 March 2026	31 March 2025
Variable rate borrowings	3,49,080.43	3,93,140.16
Fixed rate borrowings	1,55,112.00	1,52,321.63
Total borrowings	5,04,192.43	5,45,461.79

(B) Credit Risk;

The Company is subject to credit risk in terms of non-recovery of interest as well as principal amount of the money lent by the company to its customers. Such risk can arise due to inadequate documentation or evaluation of the borrower, default by the existing borrowers, external factors such as political volatility in the region of exposure concentration, amongst many other factors leading to loss of revenue for the company.

Mitigation:

- The company has formed a Credit procedures and policy to address the risk.
- Continuous monitoring mechanism is developed by adopting various checks and controls in the process.
- The Company has set up a Credit Committee for approval of the lending for exposures above certain limits in both Retail Operations and Wholesale lending, the decision by the Credit Committee shall be binding on the Business Department. The Credit Committee is empowered to deploy, monitor, manage the funds of the Company in terms of its charter as approved by the Board if the Company.

(C) Operational Risk;

Operational risk is the risk arising out of failure of internal process, people and systems put in place by the company. Such risk may also arise out of the external factors as well as internal control system failure defeating the core objective of the company operations.

Mitigation:

- The Company cannot expect to eliminate all operational risks, but it endeavours to manage these risks through a control framework and by monitoring and responding to potential risks. Controls include maker-checker controls, effective segregation of duties, access, authorisation and reconciliation procedures, staff education and assessment processes, such as the use of internal audit.

ARKA FINCAP LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2026

(Currency - Indian Rupees in Lakhs)

NOTE 5.03 : Financial instruments risk management (Continued)

(D) Liquidity Risk;

The risk arises due to asset liability mismatch. The inadequacy of the company in increasing its asset base, managing any unplanned changes in funding sources and meeting the financial commitments when required may result in non-liquidity.

Mitigation:

- The company has Asset Liability Management Policy in line with the RBI guidelines.
- The Asset Liability Management Committee (ALCO) is responsible for managing the risk arising out of exposures to interest rate changes and mismatches between assets and liabilities.

(E) Strategic Risk;

The risk arising out of non-responsiveness of business in adapting to internal as well as external environment. Such risk arises when the business strategies are not flexible to factor in the macro factors.

Mitigation:

- The Board and Risk Committee are made ultimate responsible authorities in order to ensure that the risk in the organization are mitigated as well as monitored.
- The Risk/ALCO committee are given responsibility of recommending the changes in the risk appetite of the company.

NOTE 5.04 : Capital Disclosure

The Company maintains adequate capital to cover risks inherent in the business and is meeting the capital adequacy requirements of our regulator, Reserve Bank of India (RBI). The adequacy of the Company's capital is monitored using, among other measures, the regulations issued by RBI.

Company has complied in full with all its externally imposed capital requirements over the reported period.

The primary objectives of the Company's capital management is to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholder value.

The Company maintains its capital structure in line with economic conditions and the risk characteristics of its activities. The Board of directors reviews the capital position on a regular basis.

Estimated amount of contracts remaining to be executed on capital account	112.89	15.15
Other commitments		
Loans sanctioned not yet disbursed	7,442.59	42,580.40

NOTE 5.08 : Leases**Where the Company is a lessee**

The Ministry of Corporate Affairs (MCA) notified Ind AS 116, the new leases accounting standard on 30 March 2019. Ind AS 116 come into force on 1 April 2019.

Ind AS 116 have replaced the previous guidance in Ind AS 17, 'Leases'. Ind AS 116 defines a lease as a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for

Ind AS 116 requires lessees to recognize assets and liabilities arising from all leases (except for short-term leases and leases of low-value assets) in the Balance sheet. The Company have capitalised all assets currently held under operating leases. Operating lease expenses have been replaced by a depreciation expense on Right of Use assets recognised and an interest expense as the incremental borrowing rate in the lease liabilities unwinds.

Disclosures as required by Ind AS 116 'Leases' are given below:

(A) Lease liability movement

Particulars	As at 31 March 2026	As at 31 March 2025
Lease liability at beginning of the year	703.58	1,005.44
Add: Interest on lease liability	148.42	79.71
Add: Lease liability recognised during the year	2,164.27	100.01
Less: Lease rental payments	(842.17)	(481.58)
Lease liability at the end of the year	2,174.10	703.58

(B) Future lease cashflow for all leased assets

Particulars	As at 31 March 2026	As at 31 March 2025
Minimum Lease Payments:		
Not later than one year	642.22	536.96
Later than one year but not later than five years	1,456.80	217.92
Later than five years	852.30	-

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2026

(Currency - Indian Rupees in Lakhs)

NOTE 6.04 : Disclosures Pursuant to Master Direction – (Non-Banking Financial Companies – Financial Statements: Presentation and Disclosures) Directions, 2025 dated November 28, 2025

As per the said RBI notification, a comparison (as shown in below Appendix) between provisions required under IRACP and impairment allowances made under Ind AS 109 should be disclosed by NBFC in the notes to their financial statements to provide a benchmark to their Boards, RBI supervisors and other stakeholders, on the adequacy of provisioning for credit losses.

As per the said notification, where impairment allowance under Ind AS 109 is lower than the provisioning required under IRACP (including standard asset provisioning), NBFC shall appropriate the difference from their net profit or loss after tax to a separate 'Impairment Reserve'. The balance in the 'Impairment Reserve' shall not be reckoned for regulatory capital. Further, no withdrawals shall be permitted from this reserve without prior permission from the Department of Supervision, RBI.

						FY 2025-26
Asset Classification as per RBI Norms	Asset classification as per Ind AS 109	Gross Carrying Amount* as per Ind AS	Loss Allowances (Provisions) as required under Ind AS 109	Net Carrying Amount	Provisions required as per IRACP norms	Difference between Ind AS 109 provisions and IRACP norms

6 Institutional set-up for Liquidity Risk Management:

The Board of Directors has constituted the Asset Liability Committee (ALCO) inter-alia to manage liquidity risks faced by the Company. Further, the Board of Directors has constituted the Risk Management Committee for the effective supervision, evaluation, monitoring and review of various aspects and types of risks, including liquidity risk. The Company has adopted and put in place an Enterprise Risk Management Policy and Risk Appetite Framework to monitor, report and manage risks across all business verticals and support functions. Further, the RMC monitors various parameters of liquidity risk against prescribed risk appetites.

The Company's liquidity and funding approach is documented through its various plans and policies which ensures that funding is available to meet all market related stress situations

The Company's liquidity management set up is assessed periodically to align same with regulatory changes, the economic landscape or business needs.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2026

(In Rupees: Indian Rupees in Lakhs)

NOTE 6.10 : Disclosures Pursuant to Master Direction – (Non-Banking Financial Companies – Financial Statements: Presentation and Disclosures) Directions, 2025 dated November 28, 2025

Liquidity Coverage Ratio (LCR)

The Liquidity Coverage Ratio (LCR) is one of the key parameters closely monitored by RBI to enable a more resilient financial sector. The objective of the LCR is to promote an environment wherein balance sheet carry a strong liquidity for short term cash flow requirements. To ensure strong liquidity, NBFCs are required to maintain adequate pool of unencumbered high-quality liquid assets (HQLA) which can be easily converted into cash to meet their stressed liquidity needs for 30 calendar days. The LCR is expected to improve the ability of financial sector to absorb the shocks arising from financial and/or economic stress, thus reducing the risk of spill over from financial sector to real economy.

The Liquidity Risk Management of the Company is managed by the Asset Liability Committee (ALCO) under the governance of Board approved Liquidity Risk Framework and Asset Liability Management policy. The mandated regulatory threshold as per the transition plan is embedded into the policy to ensure maintenance of adequate liquidity buffers. LCR computations are reported to ALCO and the Board for oversight and periodical review.

The LCR levels for the balance sheet date is derived by arriving the stressed expected cash inflow and outflow for the next calendar month. To compute stressed cash outflow, all expected and contracted cash outflows are considered by applying a stress of 15%. Similarly, inflows for the Company is arrived at by considering all expected and contracted inflows by applying a haircut of 25%.

LCR guidelines have become effective from 1 December 2020, requiring NBFCs to maintain minimum LCR of 50%. LCR is gradually required to be increased to 100% by 1 December 2024. LCR for quarter ended March 31, 2026 stood at 146.36%.

	For the quarter ended 31 March 2026		For the quarter ended 31 Dec 2025		For the quarter ended 30 Sept 2025		For the quarter ended 30 June 2025		For the quarter ended 31 March 2025

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2026

(Currency: Indian Rupees in Lakhs)

NOTE 7.01 :Segment Reporting

The Company is primarily engaged in the business of financing and accordingly there are no separate reportable segments as per Ind AS 108 dealing with Operating segment.

NOTE 7.02 :Other significant notes

1 The Government of India, vide notification dated November 21, 2025, has notified the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 (collectively referred to as "the Labour Codes"), which consolidate and replace existing multiple labour legislations. In accordance with the requirements of Ind AS 19, "Employee Benefits," changes to employee benefit plans resulting from legislative amendments constitute a plan amendment, necessitating the immediate recognition of any variation in the cost upon such notification. Consequently, the Company has evaluated the potential impact and recognized an estimated past service costs amounting to Rs. 2.05 crore which has been disclosed separately as Exceptional items - Expenses / (Income) in the standalone financial results for year ended March 31, 2026. As the underlying Rules to the Labour Codes are yet to be notified, the Company will continue to monitor further developments and will evaluate and give effect to any consequential adjustments arising subsequently in this respect.

2 Audit trail

The Company is using multiple accounting softwares for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software except in respect of one accounting software where audit trail feature is enabled through a third party tool at the database level throughout the year. Audit trails in the application systems and database were not disabled during the year. Adequate internal controls are in place to protect audit trail from any modification.

Additionally, the audit trail has been preserved by the company as per the statutory requirements for record retention to the extent enabled.

3 Events after the reporting date

Subsequent events are tracked and evaluated by the Company. There are no events information which requires adjustment to the financial statements as per Ind AS 10

4 The Company has not traded or invested in Crypto Currency or Virtual Currency during the current year and previous year.

5 The Company does not have any income from undisclosed transactions during the year ended 31 March 2026 and 31 March 2025

6 The Company does not have any restructured accounts for the year ended and as on 31 March 2026 and 31 March 2025
